The Planning Team Wants to Hear from You!

Your feedback is
important in helping us to
understand the impacts of
military and airport
activities and to
build stronger
relationships in the
community.

The JLUS is a cooperative planning effort among the **National Guard Center**, the **City of Frankfort**, and **Franklin County** to examine growth issues around Boone Center and Capitol City Airport. The study's purpose is to protect the ability of the military and airport to carry out their operations, while maintaining the safety and vitality of surrounding neighborhoods and businesses.
